STATEMENT ON RISK MANAGEMENT AND INTERNAL CONTROL

INTRODUCTION

The Board of Directors is pleased to present the Statement on Risk Management and Internal Control pursuant to paragraph 15.26(b) of the Main Market Listing Requirements of Bursa Malaysia Securities Berhad.

BOARD RESPONSIBILITY

The Board acknowledges the importance of risk management and internal control to safeguard shareholders' investments and the Group's assets and affirms its overall responsibility for maintaining a sound system of risk management and internal control system and for reviewing its adequacy and integrity.

It must be noted, however, that such systems are designed to identify and manage rather than eliminate the risk of failure to achieve the Group's objectives and inherently can only provide reasonable and not absolute assurance against material mis-statement or loss.

RISK MANAGEMENT

The Group has an ongoing risk management processes for identifying, evaluating and managing the risks faced by the Group.

The key processes for the risk management comprise:

- (i) Identification of the Group's business goals and objectives and the associated risks;
- (ii) Development of risk management strategies;
- (iii) Implementation of controls and action plans, and
- (iv) Monitoring of risks and refining of the risk strategies for continuous improvement.

The Group's Managing Director oversees this risk management processes and activities and reports to the Board on the same.

CONTROL ENVIRONMENT AND ACTIVITIES

In addition to the risk management processes, the other key elements of the Group's control activities are :-

(a) **Defined Lines of Responsibility and Delegation of Authority**

The delegation of responsibilities, limits of authority and hierarchical reporting structure are defined to ensure management accountability and segregation of duties.

(b) **Independent Review by the Audit Committee**

The Audit Committee assists the Board in overseeing and reviews the risks and system of internal control. The presence of the internal audit function supports this review mechanism and makes the Audit Committee's review more effective.

Besides reviewing the systems of internal control, the Audit Committee also reviews the financial information and reports produced by the management. In this case, the Audit Committee in consultation with the management and the Executive Directors deliberates the integrity of the financial results, annual report and audited financial statements before recommending to the Board for distribution to the shareholders and public investors.

(c) **Internal Audit Function**

The Group had out-sourced the Internal Audit function to a professional firm of consultants, which is independent of activities of it audit.

The internal audit function assists the Board and the Audit Committee in assessing the Group's internal control system. The internal audit function reports its audit findings and recommendations to the Audit Committee on a yearly basis.

STATE OF INTERNAL CONTROL

For the financial year under review, the Board is satisfied that the system of risk management and internal control within the Group is generally adequate and effective in mitigating risks to achieve its business objectives. The Board has also received assurance from the Managing Director and Financial Controller that the Group's risk management and internal control system is operating adequately and effectively in all material aspects. The Board also reaffirms that it remains committed to continuously improve and sustain a sound system of risk management and internal control to safeguard the assets, the business and interests of the shareholders.

This statement is made in accordance with a resolution of the Board dated 30 April 2013.
