Interim Report for the Second Quarter Ended 30 June 2014

NOTES

1 Basis of Preparation and Accounting Policies

This condensed consolidated interim financial statements ("Condensed Report") are prepared in accordance with Malaysian Financial Reporting Standard ("MFRS") 134: "Interim Financial Reporting" and paragraph 9.22 of the Main Market Listing Requirements of Bursa Malaysia Securities Berhad and should be read in conjunction with the Group's annual audited financial statements for the year ended 31 December 2013.

The significant accounting policies and methods of computation adopted in this interim financial report are consistent with those adopted for the annual audited financial statements for the year ended 31 December 2013, except for the adoption of the following amendments to MFRSs and new Interpretation Committee ("IC") Interpretations issued by the Malaysian Accounting Standards Board ("MASB") which are applicable to its financial statements:

Amendments to MFRS 10, MFRS 12 and MFRS 127	Investment Entities
Amendments to MFRS 132	Financial Instruments : Presentation - Offsetting Financial Assets and Financial Liabilities
Amendments to MFRS 136	Impairment of Assets - Recoverable Amount Disclosures for Non-Financial Assets
Amendments to MFRS 139	Financial Instruments : Recognition and Measurement - Novation of Derivatives and Continuation of Hedge Accounting
IC Interpretation 21	Levies

The adoption of the above amendments to MFRSs and new IC Interpretation does not have any significant impact on the interim financial report upon their initial application.

2 Audit Qualification of Preceding Annual Financial Statements

The audit report for the preceding annual financial statements was not subject to any qualification.

3 Seasonal or Cyclical Factors

The business operations of the Group were not materially affected by any seasonal or cyclical factors during the current financial quarter.

4 Unusual Items

There were no items affecting assets, liabilities, equity, net income, or cash flows that are unusual because of their nature, size, or incidence during the current financial quarter.

5 Changes in Estimates

There were no changes in estimates of amounts reported in prior financial years, that have a material effect in the current financial quarter.

6 Debt and Equity Securities

There were no issuances, cancellations, repurchases, resale and repayments of debt and equity securities during the current financial quarter.

7 Dividend Paid

There were no dividends paid during the current financial quarter.

8 Segmental Information

The Group is principally engaged in the wood-based activity of logging, sawmilling, timber trading and manufacturing of moulding, finger-jointed and laminated timber i.e within a single industry segment and its operations are located wholly in Malaysia. Accordingly, segmental information reporting is not relevant in the context of the Group.

9 Revaluation of Property, Plant and Equipment

The valuations of property, plant and equipment have been brought forward, without amendment from the previous annual financial statements.

10 Material Events Subsequent to the end of the Reporting Period

There were no material events subsequent to the end of the current financial quarter that have not been reflected in the financial statements for the said period as at the date of issue of this quarterly report.

11 Changes in the Composition of the Group

There was no change in the composition of the Group during the current financial year to-date.

12 Changes in Contingent Liabilities

There were no material changes in contingent liabilities since the last annual balance sheet as at 31 December 2013.

13 Performance Review on the Results of the Group

For the second financial quarter under review, the Group recorded turnover of RM1.95 million, an increase of 22.2% over the corresponding period last year due to higher sales volume of its manufactured products in the current quarter. The Group recorded a pre-tax loss of RM847,000 as compared to a pre-tax loss of RM19,000 in the corresponding period last year mainly due to lower cost of raw material in the previous financial quarter.

14 Changes in the Quarterly Results Compared to Preceding Quarter

For the quarter ended 30 June 2014, the Group recorded a pre-tax loss of RM847,000 as compared to a pre-tax loss of RM1.71 million in the previous quarter ended 30 March 2014, mainly due to higher turnover of its manufactured products and lower cost of raw material in the current financial quarter.

15 Current Year Prospect

The Group primarily depends on the income and contribution from the subsidiaries which rely on the availability of raw materials. The Group is making arrangements to secure raw materials in Kelantan, Terengganu and Thailand where the raw materials are now available. However, the global economic conditions in 2014 are expected to remain challenging which will affect the demand for timber products. The Directors expect the current year to be challenging but hope that its financial performance will improve.

16 Variance of Actual Profit From Forecast Profit

This is not applicable.
