The accounting policies and methods of computation adopted in this interim financial report are consistent with those adopted for the annual financial statements for the year ended 31 December 2002.

**2. Audit Qualification of Preceding Annual Financial Statements**

The audit report for the preceding annual financial statements was not subject to any qualification.

**3. Seasonal or Cyclical Factors**

The business operations of the Group were not materially affected by any seasonal or cyclical factors during the current financial quarter.

**4. Unusual in Items**

There were no items affecting assets, liabilities, equity, net income, or cash flows that are unusual because of their nature, size, or incidence during the current financial quarter.

**5. Changes in Estimates**

There were no changes in estimates of amounts reported in prior financial years, that have a material effect in the current financial quarter.

**6. Debt and Equity Securities**

There were no issuances, cancellations, repurchases, resale and repayments of debt and equity securities during the current financial quarter.

**7. Dividend Paid**

There were no dividends paid during the current financial quarter.

**8. Segmental Information**

The Group is principally engaged in the wood-based activity of logging, sawmilling, timber trading and manufacturing of moulding, finger-jointed and laminated timber i.e within a single industry segment and its operations are located wholly in Malaysia. As such, no segment information reporting is prepared in the context of the Group.

**9. Revaluation of Property, Plant and Equipment**

The valuations of property, plant and equipment have been brought forward, without amendment from the previous annual financial statements.

**10. Material Events Subsequent to the end of the Reporting Period**

There were no material events subsequent to the end of the current financial quarter that have not been reflected in the financial statements for the said period as at date of issue of this quarterly report.
